

Disclaimer of Risk Assessment for the Safety of SJTU

Global College's Laboratory

I, _____, hereby solemnly affirm that **[the specific name of the project]** is scheduled to be initiated **[in month, year]**. It is explicitly specified that its implementation process shall not take place within the confines of the laboratory. In light of this particularity and pursuant to relevant regulations and procedures, there is no requirement for the submission of a project risk assessment declaration in relation to this project.

It is of particular significance to note that I have attained a comprehensive and in-depth understanding of the requisites and demarcations stipulated by relevant policies and regulations concerning the project execution environment and risk assessment submission. This declaration is formulated solely in accordance with the genuine project implementation site and circumstances, and there exist no instances of deliberate concealment, misguidance or false representation.

In the event of any inconsistency between the content of this statement and the actual situation, or if any other factors result in legal liabilities, disputes, losses or consequences, I shall bear sole and exclusive responsibility therefor. Such matters shall be entirely dissociated from any other organizations, institutions or individuals.
